Boost Your Signal With 5BARZ by CellLynx

When you've slipped the cute guy at the bar your phone number, the last thing you want to happen is for the call to drop before things get started! 5BARZ Road Warrior by CellLynx tells us that they have the first affordable mobile plug n'play cell signal booster that lets you enjoy crystal clear cell phone reception and avoid dropped calls in areas with even the weakest signals. So if you want your knees weak from the sexy voice of the guy at the bar and not your signal CellLynx tells us they are

the match made in heaven. We're going to test one of these babies in the Amazon jungle and get back to you.
